Bikers help Stan Kuron would have been pleased with the turnout of riders at the seventh annual Poker Run held in his memory on Aug. 22. Over 100 motorcyclists participated in this annual event, which benefits the animals and programs at the Windsor Essex County Humane Society.

Thank you to event co-ordinators D'Arcy Leader (Royal Canadian Legion Branch 143), Mike Bechard (Lone Wolf Clubhouse), and the Ontario Chrome Divas.

Thank you also to sponsors of the run: Brews & Cues, Lone Wolf Clubhouse, Meadows, Dairy Freeze and Royal Canadian Legion Branch 143; to Humane Society volunteers for their assistance throughout the day; and finally, to the remarkable riders who showed their support by participating.

The group raised \$1,592 for the shelter but more importantly, they raised awareness for the plight of the homeless animals in our community.
